

# October Recap

Geek+ was named the #1 global AMR provider for the fifth year in a row in October. We also introduced the industry's tallest robot!

The holiday season is about to get underway and our team (bots and humans) is ready!

Moving the world intelligently

## Geek+ Introduces the Industry's Tallest Mobile Robot for up to 12-Meter-High Warehouse Automation

**Geek+ was named the #1 global AMR provider for the fifth year in a row by Interact Analysis**

And that's only the beginning. [Read more here!](#)

## **Geek+ and UPS Supply Chain Debut New Case Study**

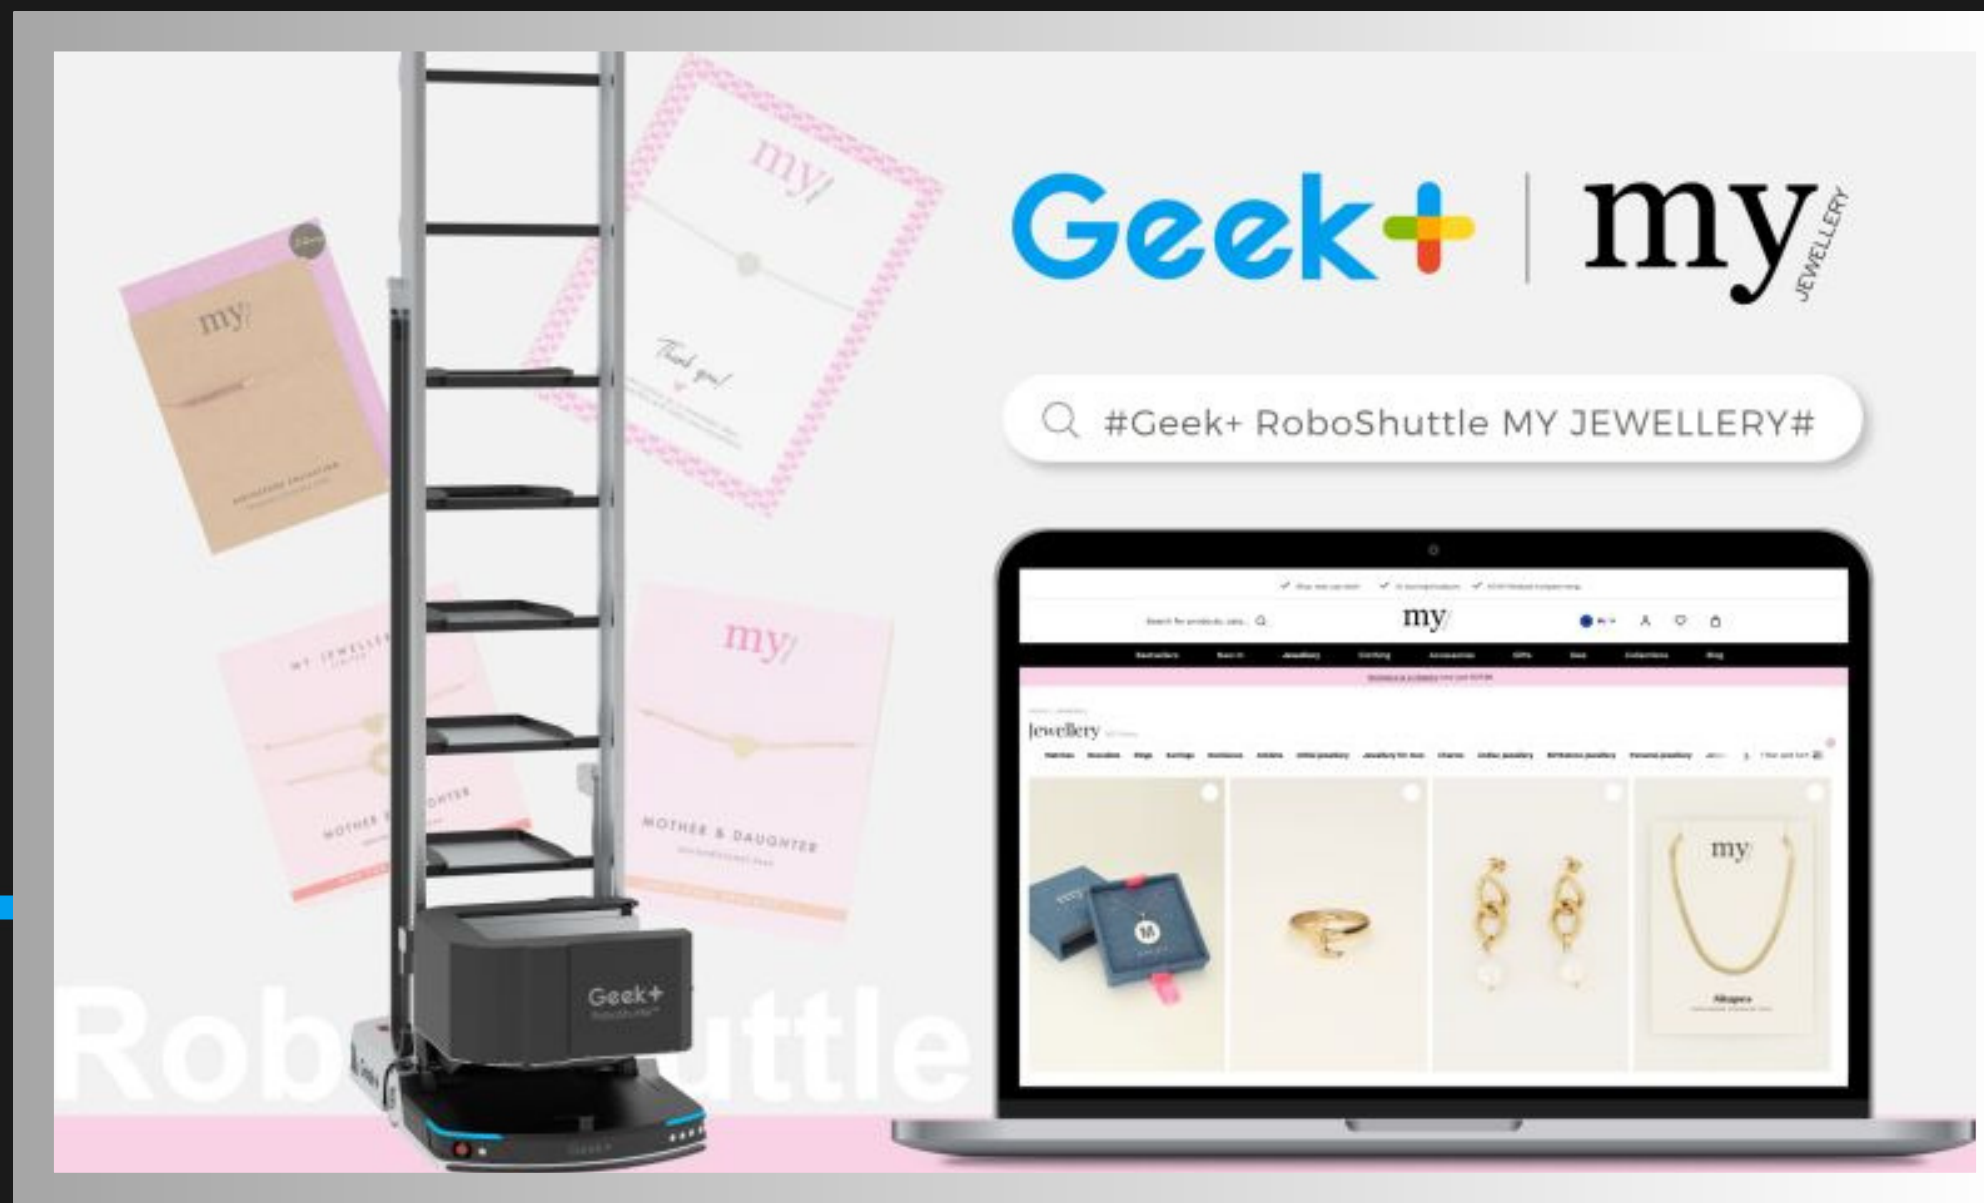

In an industry that's constantly changing, why go fixed when you can be Geek+ flexible? [Watch the video here](#)

## Geek+ is proud to partner SOCCER.COM

and Sports Endeavors for an upcoming TV spot featuring our Award Winning Shelf-to-Person PopPick. 🏆

While we await the air date, check out these shots from their North Carolina warehouse. [See the pictures here](#)

## Geek+ and European Online Retailer My Jewellery

My Jewellery is now able to offer their accessible and wearable jewelry to customers faster than ever before thanks to Geek+ RoboShuttle solution. [Read more here](#)

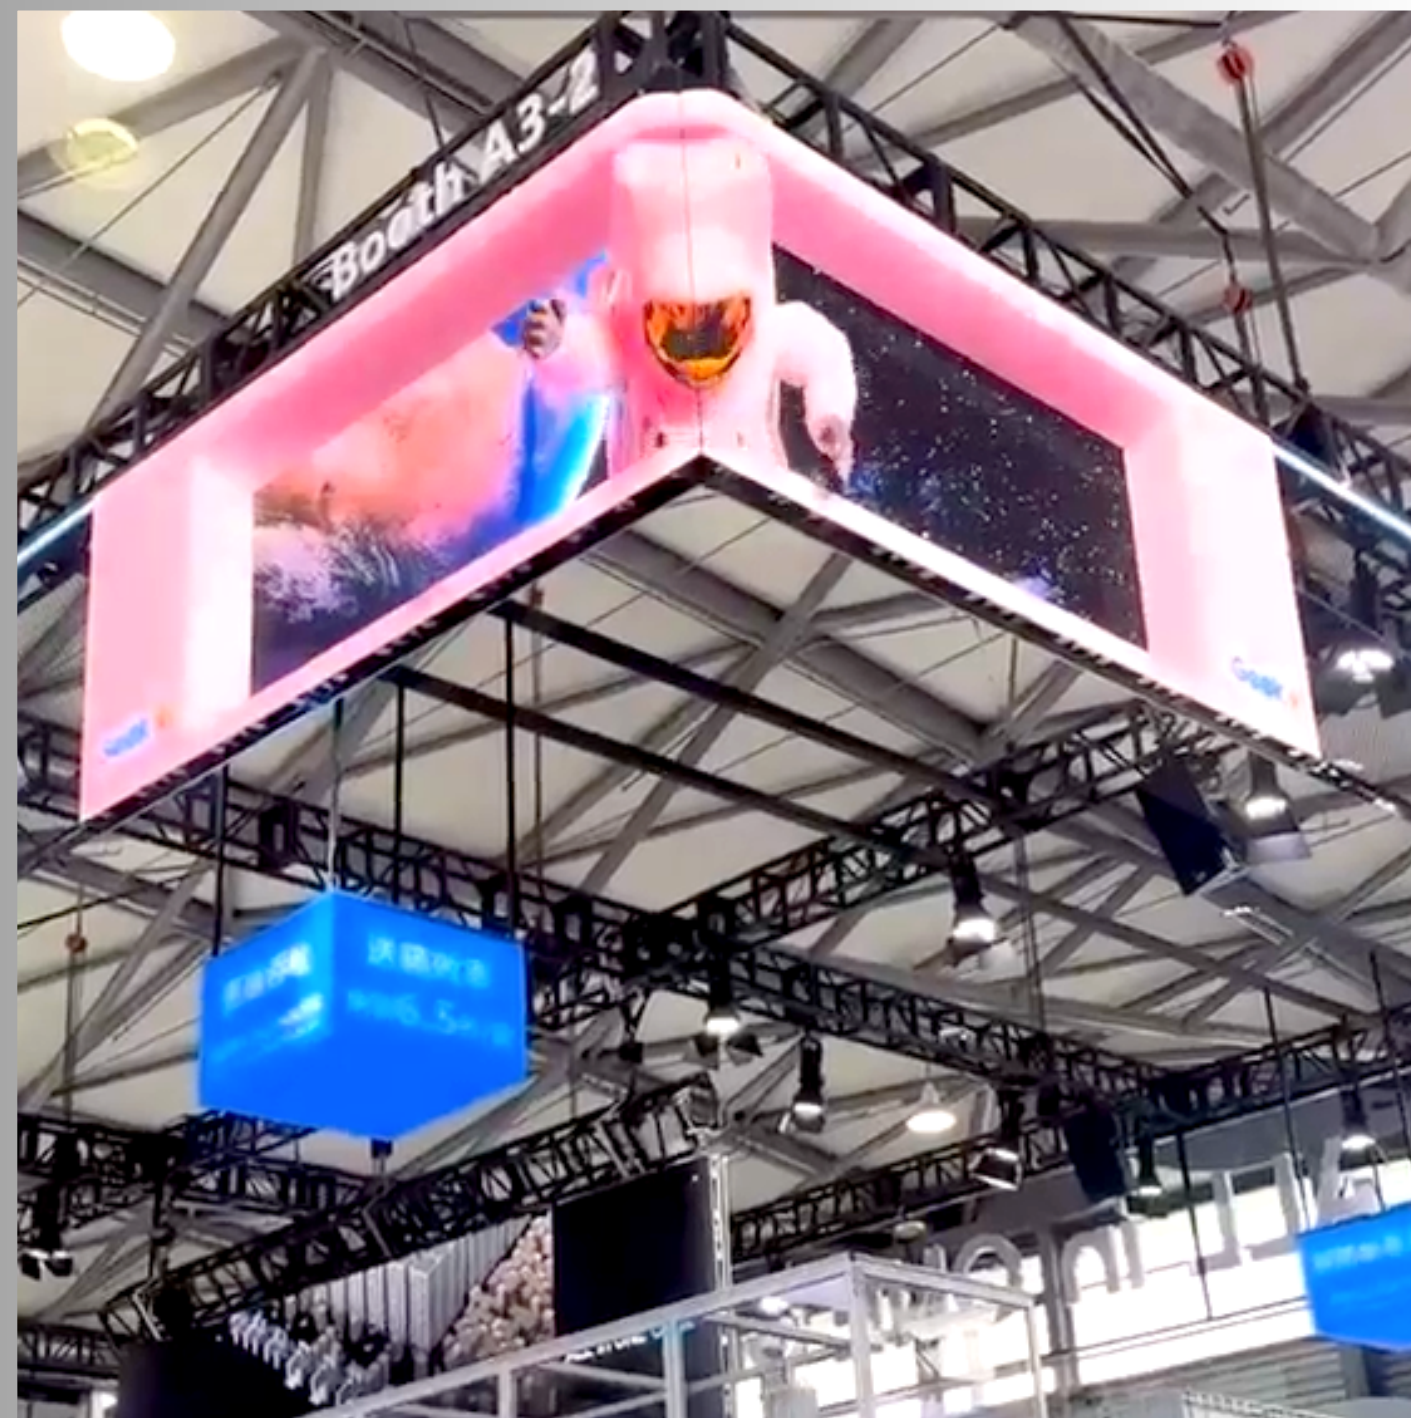

## Geek+ Visits CeMAT

3d displays. 3d storage. 3d mobility.

Adding that extra dimension to your warehouses and tradeshow experience.

Your tradeshow experience will never be the same again!

## Geek+ Celebrates Halloween

Stop being terrified of your traditional warehouse! 🤖

There's no reason to be scared of automation! [Click here to watch the video.](#)

Happy Halloween from all of us at Geek+!

This is  
what  
we've  
done in  
only one  
month.

(We deploy robots even faster!)

[Speak with one of our experts now!](#)
