

APRIL 2023 RECAP

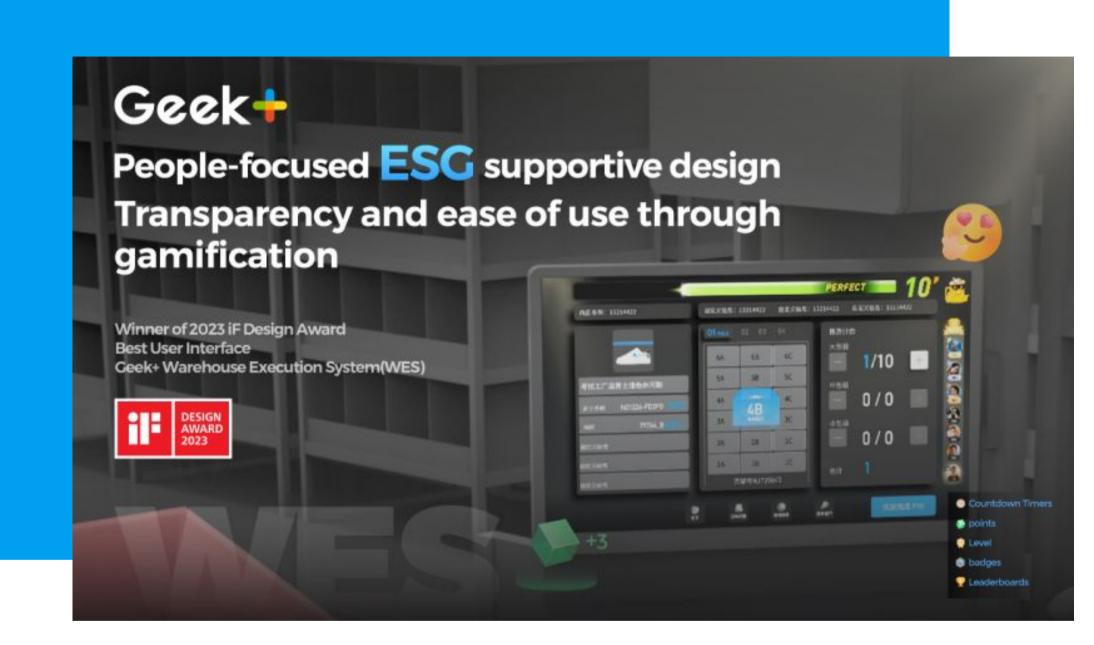

Geek+

April Recap

Geek+ won a major design award this month and released two large-scale solution videos.

We also met with hundreds of automation enthusiasts at trade shows around the world!

<u>Geek+ Wins Design Award</u>

We're bringing people-focused design to software and getting noticed for it! Congratulations to our Geek+ Design Team, winner of the 2023 iF DESIGN Award for Best User Interface (UI) for WES software. <u>Read more here</u>

<u>LogiMAT 2023</u>

Geek+ brought an entire crew of experts, RobotShuttle system, PopPick system and others to the Stuttgart, Germany trade show floor for one of the biggest logistics trade shows in Europe. <u>Read more here</u>

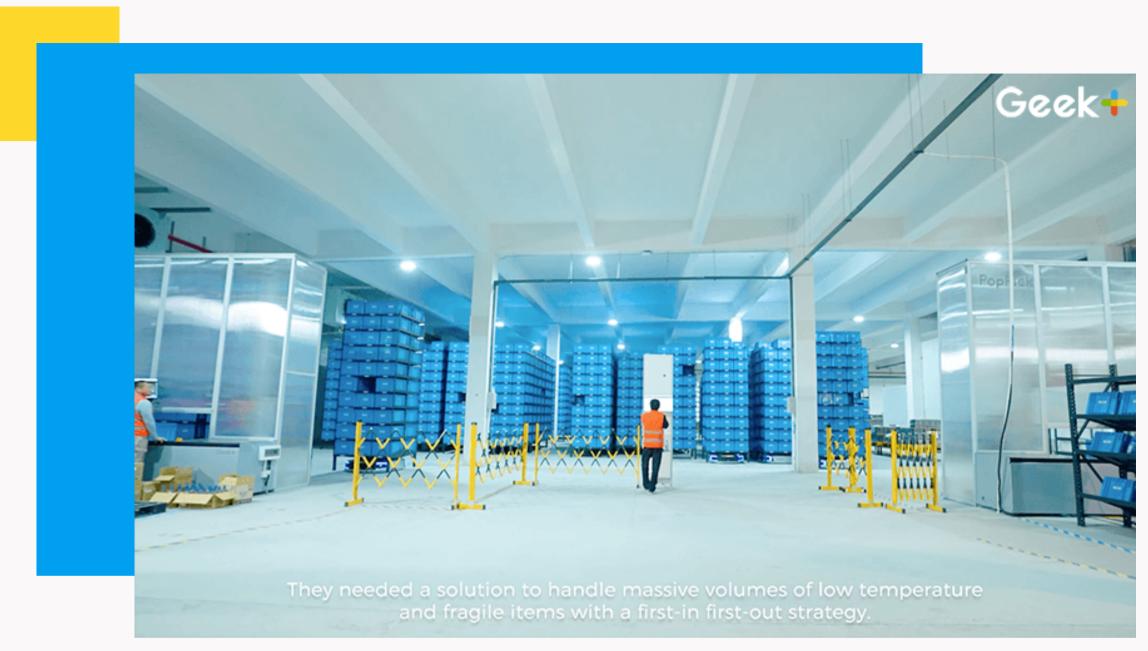

<u>Geek+, Körber Supply Chain and Boxy</u>

Automating the biggest 3PL warehouse in Hungary and Eastern Europe --at 60,000 sqm-- is no small task. <u>Read more here</u>
